### Delivery

This program is available for delivery in two formats:

**Option A: E-learning**

This format offers candidates a flexible, practical and convenient solution to their learning and development needs. Students are guided and assisted through all six courses of study that make up the program online. Continuous trainer access, progress monitoring and support meetings via telephone and email are provided. Additionally, students must complete practical training and assessment practice to demonstrate training and assessment skill.

**Option B: Blended (e-learning + workshop attendance)**

This format sees candidates utilise the e-learning format for courses 1, 2 & 3, and attend a 5-day workshop focussed on courses 4, 5 & 6 + post-workshop project work. During the workshop, candidates are required to plan, organise and deliver a group training session to other attendees.

### Award

Following successful completion of the six courses of study, students will receive the TAA40104 Certificate IV in Training and Assessment qualification. The issuing RTO is Performance Edge Systems Pty Ltd (RTO Number: 90068).
