

★ Understanding Your Leadership Style ★

Overview

In this interactive workshop participants are provided the opportunity to complete, score and interpret the Leadership Style Profile, and then explore theirs and others styles through a series of activities. The session concludes with an Action Planning section, providing an opportunity to apply what they have learned.

Learning Outcomes

Understanding Your Leadership Style helps participants to:

- ✓ Identify their leadership styles
- ✓ Capitalise on the strengths and overcome the trouble spots of their styles
- ✓ Learn how to interact effectively with other styles

Delivery

Understanding Your Leadership Style may be delivered as a stand-alone 2-hour course or as a part of a broader leadership program or team event.

Target Audience

Understanding Your Leadership Style is appropriate for individuals at any organisational level who need to influence others to work toward organisational goals.
